HARVARD CREW IMPROVING

Overcoming Slump in Form that Followed Navy Race.

Crimson Oarsmen Are Now Preparing for Two-mile Race with Cornell on Charles River.

Cambridge, May 9.-Since the race on the Severn River against the first crew of the United States Naval Academy on April 22 the Harvard 'Varsity eight has been given only comparatively easy work; for, as is natural after a contest, the men have slumped off a little in their form as a result of the tension, and Coach Wray has realized that there is plenty of time for the men to come back into shape before meeting Cornell on the Charles River on May 30. The slump of the crew consisted of a slight lack of precision in carrying through the stroke, which resulted in some unsteadiness in the boat's Therefore, all of last week was devoted by the coach to giving greater emphasis to a recovery of form than to speed. The crew has pulled over the long course, taking it in short stretches, at a low stroke, with occasional practice starts, when a faster time was held for a

shorter distance.

There has been no change in the boat since March 24, when Sargent was re-turned to stroke; and the men, although unusually heavy and powerful, have shown that they are capable of varying the high stroke without much effort. eral times they have done as well as forty-five to the minute in sprints, and this would appear to indicate an ability

forty-five to the minute in sprints, and this would appear to indicate an ability to carry an even stroke, say about thirty-seven, for a longer distance. The race with Cornell will be over the two-mile course, and for this distance the Crimson crew should be able to carry the boat along at fine, easy speed; but with Courtney's oarsmen to reckon on as opponents it is rather unsafe to predict a victory for Harvard on the present form of the Johnnies' eight.

The freshman crew, while it has been left a good deal to itself while Wray has been working with the 'varsity-men, has shown most encouraging progress, although the men have been shifted about several times within the past two weeks. This shift has not caused as much trouble as might have been expected, for it has consisted simply of changing the men about in the boat, and no new men have been substituted recently. The freshman stroke, Cutler, has developed into an excellent leader with good rhythm and time to his pull, and the men have found him a good leader.

HURT BY PITCHED BALL.

Maryland Mute School Player Is Knocked Unconscious.

Special to The Washington Herald, Frederick, Md., May 9.—Adamstown defeated the Maryland School for the Deaf baseball team on the grounds of the latter this afternoon, in an exciting game, by the score of 8 to 7.

In the eighth inning, Albert . Zimmerman, of the Maryland school, while at the bat, was hit a terrific blow in the right temple by Pitcher Whipp. The ball struck him squarely, and rebounded nearly to third base. He was rendered unconscious, but afterward partly regained consciousness and was removed to the City Hospital. A coincidence of the accident is that on the same day last year Harry Koogle, of the Maryland school, while playing against the same team, was struck in the head by Pitcher Talbott, of the Adamstown team, while at bat, and died the same night.

Zimmerman's condition to-night is thought to be serious, but it has not been decided whether an operation will be performed or not. Score:

PHILLIES DROP PLAYERS.

Six Men Cut Off Pay Rolls by Manager Murray.

Special to The Washington Herald. Philadelphia, May 9.—The expected reduction took place in the Phillies' ranks yesterday before the team started on the Western trip.

Up until yesterday the club had been carrying twenty-five men on the roll, but by the time Manager Murray got through sifting down the salary list but nineteen remained, and eighteen of these players went West on the 8:40 p. m. train for Chicago. There has been a host of candidates for every position on the team this year, and in the outfield every position had two men fighting for a place. The infielders were also well prepared, while the pitching staff included nine twirlers before the cut. All three catchers, however, were carried.

ers, however, were carried.

The players who go are Centerfielder Roy Thomas, Pitchers Hoch, Covelaski, and Warrick, and Outfielder Deninger. The biggest surprise is the release of Thomas, who has been a fixture in the Phillies' centerfield for the last ten years, but the last two seasons his work has fallen off, and when Osborne jumped in and made such a hit as he is now doing and made such a hit as he is now doing, Thomas' release was looked for. The club officials would not give out any announcement as to what club Thomas has

Irwin's Bandits copped two at Brooklyn. Ganley, Pickering, Warner, and Shipke each had two hits.

The only error charged up against the lationals was a wild throw to second by Bill Burns.

Joe Cantillon, Otis Clymer, and Dan Pickering will spend to-day fishing on the upper Potomac.

Burchell, now with the Boston Americans, is the southpaw who was tried by the Phillies four years ago.

Rube Waddell is scheduled to pitch against the Athletics May 16. Philadelphia fans are waiting for the great day.

Boston fans declare that Frank Bowerman is catching the best ball of his life. Bowerman's work behind the bat has done wonders.

Carter, of Leesburg, had a big delega-tion of friends on hand to give him the glad hand when he stepped into the box at National Park.

Charlie Mason, one of the owners of the old Philadelphia Athletics, will have a benefit game on the Athletics' grounds on June 22.

Jack Warner went to New York last night to see his wife, who has been sick for several months. The veteran catcher expects to be back to-morrow.

Washington is in second place in the Union Leage, half a game behind Wilmington. It begins to appear as though Arthur Irwin's prediction that he will be out in front before the team returns home is to be true.

Detroit fans are not worrying over Rossman. He appears slow in striking his real fielding gait, but this will come as the season advances. It is a fact that his fielding is not anywhere near his world's series form. After what he showed in the championship games, it is only reasonable to expect a repetition. Claude is hitting, and this is a source of consolation to the fans.—Detroit Journal.

CLARKSON QUITS BASEBALL.

Former Harvard Pitcher Going Into Shoe Business at Cleveland.

Cleveland, Ohio, May 9 .- Pitcher Walter Clarkson, of the Naps, has quit the team and baseball for good. Beginning next. Monday he will be manager of the local store of the Chisholm Shoe Company, succeeding Frank Werner, who goes to Baltimore to go into business for himself. Clarkson left this week for his home in Winthrop, Mass., but will return here Sunday.

When he joined the Naps this spring, Clarkson had no idea of quitting the game. On the other hand, he was looking forward to having a good year, for he felt that he was in better shape than ever before, and was working under a manager who would give him every opportunity of displaying his ability.

THREE NAVAL RECORDS GO

Two-mile Run, Hammer Throw, and Broad Jump Marks Changed-Capt. Zink, of the Visitors, Takes First Place in the Quarter-mile Dash. Carri Takes 100 and 220 Yard Dash.

Annapolis, Md., May 9 .- In a field and track meet between the Naval Academy and Columbia here this afternoon, the Midshipmen won by 78 points to 39. Columbia took but three firsts of the thirteen events and tied in one other, the high jump. However, the events were finely contested as a rule, and the meet was an interesting one. For the visitors Capt, Zink took first place in the quarter mile, Hoyns in the mile, and Babcock in the pole vault, while Ryan tied with Northeroft in the high jump.

Three Naval Academy records were broken. In the two-mile run Carmichael did 10:08 3-5, the former record being 10:19. He led from the start, but was nearly caught at the finish by Hall, of Columbia.

There was also a beautiful finish in the half-mile between Emmett and Hoyns, and all of the dashes were spiritedly contested.

In the hammer-throw Le Bourgeois did 121 feet 3 inches, against the previous record of 119 feet 3-4 inch. In the broad jump Donelson brought the record from 21 feet 3 inches to 21 feet 8 inches. The Summaries.

LE DROITS WIN AT TENNIS.

Trim Bachelors' Club Players in Return Match, 5 to 3.

In a return match this afternoon the Bachelor Lawn Tennis Club was defeated by the Le Droit Tennis Club by 5 sets to 3, one set not being completed on account of darkness.

The playing was the best that has been seen this season, and the courts were fast. The rains of last week in no way interfered with the courts, but instead put the grounds in better coidition.

J. C. Davidson, the former champion of

the District of Columbia, and C. B. Doyle played the best set in the singles, Mr. Doyle finally winning, 6-3, 6-3, Ballenger and Leeck also played a good game in the singles.

Geoghegan and E. Leech defeated Davidson and Hyatt in a good game in the doubles, Score, 6-3, 1-6, and 6-2.

The scores of the others were as follows:
